

§219.901

(10) Number of covered employees who refused to submit to a random drug test required under FRA authority.

(11) Number of covered employees who refused to submit to a non-random drug test required under FRA authority.

(12) Number of supervisory personnel who have received the required initial training on the specific contemporaneous physical, behavioral, and performance indicators of probable drug use during the reporting period.

Subpart J—Recordkeeping Requirements

§219.901 Retention of alcohol testing records.

(a) *General requirement.* In addition to the records required to be kept by part 40 of this title, each railroad must maintain alcohol misuse prevention program records in a secure location with controlled access as set out in this section.

(b) Each railroad must maintain the following records for a minimum of five years:

(1) A summary record of each covered employee's test results; and

(2) A copy of the annual report summarizing the results of its alcohol misuse prevention program (if required to submit the report under §219.801(a)).

(c) Each railroad must maintain the following records for a minimum of two years:

(1) Records related to the collection process:

(i) Collection logbooks, if used.

(ii) Documents relating to the random selection process.

(iii) Documents generated in connection with decisions to administer reasonable suspicion alcohol tests.

(iv) Documents generated in connection with decisions on post-accident testing.

(v) Documents verifying the existence of a medical explanation of the inability of a covered employee to provide an adequate specimen.

(2) Records related to test results:

(i) The railroad's copy of the alcohol test form, including the results of the test.

49 CFR Ch. II (10–1–01 Edition)

(ii) Documents related to the refusal of any covered employee to submit to an alcohol test required by this part.

(iii) Documents presented by a covered employee to dispute the result of an alcohol test administered under this part.

(3) Records related to other violations of this part.

(4) Records related to employee training:

(i) Materials on alcohol abuse awareness, including a copy of the railroad's policy on alcohol abuse.

(ii) Documentation of compliance with the requirements of §219.23.

(iii) Documentation of training provided to supervisors for the purpose of qualifying the supervisors to make a determination concerning the need for alcohol testing based on reasonable suspicion.

(iv) Certification that any training conducted under this part complies with the requirements for such training.

§219.903 Retention of drug testing records.

(a) *General requirement.* In addition to the records required to be kept by part 40 of this title, each railroad must maintain drug abuse prevention program records in a secure location with controlled access as set forth in this section.

(b) (1) Each railroad must maintain the following records for a minimum of five years:

(i) A summary record of each covered employee's test results; and

(ii) A copy of the annual report summarizing the results of its drug misuse prevention program (if required to submit under §219.803(a)).

(2) Each railroad must maintain the following records for a minimum of two years.

(c) *Types of records.* The following specific records must be maintained:

(1) Records related to the collection process:

(i) Documents relating to the random selection process.

(ii) Documents generated in connection with decisions to administer reasonable suspicion drug tests.

(iii) Documents generated in connection with decisions on post-accident testing.

(iv) Documents verifying the existence of a medical explanation of the inability of a covered employee to provide a specimen.

(2) Records related to test results:

(i) The railroad's copy of the drug test custody and control form, including the results of the test.

(ii) Documents presented by a covered employee to dispute the result of a drug test administered under this part.

(3) Records related to other violations of this part.

(4) Records related to employee training:

(i) Materials on drug abuse awareness, including a copy of the railroad's policy on drug abuse.

(ii) Documentation of compliance with the requirements of § 219.23.

(iii) Documentation of training provided to supervisors for the purpose of qualifying the supervisors to make a determination concerning the need for alcohol testing based on reasonable suspicion.

(iv) Certification that any training conducted under this part complies with the requirements for such training.

§ 219.905 Access to facilities and records.

(a) Release of covered employee information contained in records required to be maintained under §§ 219.901 and 219.903 must be in accordance with part 40 of this title and with this section. (For purposes of this section only, urine drug testing records are considered equivalent to breath alcohol testing records.)

(b) Each railroad must permit access to all facilities utilized in complying with the requirements of this part to the Secretary of Transportation, United States Department of Transportation, or any DOT agency with regulatory authority over the railroad or any of its covered employees.

(c) Each railroad must make available copies of all results for railroad alcohol and drug testing programs conducted under this part and any other information pertaining to the railroad's alcohol and drug misuse prevention program, when requested by the Secretary of Transportation or any DOT agency with regulatory authority over the railroad or covered employee.
